Buyer Inquiry Checklist

Everything to include in a first sourcing inquiry so DRESSOURCE can respond with accurate, fast costing — typically within 24 hours of a clear brief.

Before you send your inquiry

- Product type and target category
- Target quantity per style and colour
- Fabric type, weight (GSM) or reference
- Target FOB price or retail price point
- Required certifications or compliance standards
- Tech pack, sketch or reference garment
- Branding requirements (labels, tags, packaging)
- Required delivery date or in-store date
- Destination market and incoterm preference
- Sample requirement and approval expectations

Educational buyer tool. Final feasibility, price, timeline and scope depend on confirmed specifications and commercial review.
